

TEXAS VACCINES FOR CHILDREN (TVFC) PROGRAM PATIENT ELIGIBILITY SCREENING RECORD

A record of all children 18 years of age or younger who receive immunizations through the Texas Vaccines for Children Program must be kept in the health care provider's office. The record may be completed by the parent, guardian, individual of record, or by the health care provider. TVFC eligibility screening must take place with each immunization visit to ensure the child's eligibility status has not changed. This same record will satisfy the requirements for all subsequent vaccinations, as long as the child's eligibility has not changed. If patient eligibility changes, a new form must be completed. While verification of responses is not required, it is necessary to retain this or a similar record for each child receiving vaccines under the TVFC Program.
